12. The IPA and the Program Administrator reserve the right to conditionally approve applications from prospective Approved Vendors that have areas of concern. A conditional approval will require six month updates rather than the normal 1 year updates of the approved vendor application.

Appeal Procedure

The Administrator will review and make approval decisions for all Approved Vendor applications. It is the responsibility of the Approved Vendor to respond to any questions or requests for additional information from the Administrator within 2 weeks of receiving such a request. Any Approved Vendor applications that are rejected will be provided a written explanation with the reasons for the rejection. The applicant will have 2 weeks to appeal the rejection in writing on company letterhead conveyed by email or postal mail. The IPA will review all appeals and will be the final authority for granting or rejecting an appeal.
