**Comments of [Submitter 5] on Second Draft of the Adjustable Block Program's REC Delivery Contract**

January 18, 2019

Dear Mr. Star,

[Submitter 5] appreciates the opportunity to provide comment on the second draft of the REC delivery contract. We have been part of the [redacted] but wish to comment individually on the issue of refundability of the REC contract deposit. [Submitter 5] supports a policy that would allow the deposit to be refundable in the case of increased interconnection costs. Specifically, we believe that the deposit should be refundable if the actual interconnection costs are 125% or more of the costs estimated in a given project's Interconnection Agreement as submitted for proof of eligibility to the Adjustable Block Program.

Thank you again for the opportunity to provide comment.

Sincerely,

[Submitter 5 representative]
